Academic year:

2024-25

Type of programme:

Professional bachelor programme

Programme:

Bachelor of International Communication Management

E-mail address:

x@x.be

Log in via:

☐ Government authentication (itsme®, eID PIN code, eIDAS,...)
Only if you have a Belgian national registration number or BIS number.

☒ Password
You choose a password yourself to log in again later.

You may have the option to choose a **specialisation**.

For the Business programme your choice will not affect your registration, since we only have one general course offer for all specialisations.

Complete your **e-mail address** and choose a **password**.

You can ignore the info about a MAD admission test on the right side of the screen.

Click continue

Choose password:

Step 1 Programme

If you have to select a 'path' select the first option.

Select the **country of your home institution** and select your home institution.

The screenshot shows the 'Programme' step of a 6-step process. The navigation bar at the top includes 'Programme', 'ID card', 'Personal info', 'Invoicing', 'Extra', and 'Finalization'. A blue button labeled 'External student' is in the top right. The main title is 'Programme' with the subtitle 'Step 1 of 6'. There are five dropdown menus, each preceded by a red asterisk: 'Academic year' (2024-25), 'Type of programme' (Professional bachelor programme), 'Programme' (Bachelor of Business Management), 'Specialisation' (Accountancy and Tax), and 'Path' (Accountancy and Tax). Below these, a section titled 'You're an incoming exchange student' contains two more dropdowns: 'From country' (Spain) and 'From institution' (UNIVERSIDAD DE MALAGA [MALAGA]). At the bottom left is a black button with 'Next' and a right arrow.

Step 2 ID card

Click: **I cannot authenticate...**

The screenshot shows the 'ID card' step of a 6-step process. The navigation bar at the top includes 'Programme', 'ID card', 'Personal info', 'Invoicing', 'Extra', and 'Finalization'. A blue button labeled 'External student' is in the top right. The main title is 'ID card' with the subtitle 'Step 2 of 6'. A dark blue box contains the text 'Retrieve data via government authentication (itsme®, eID PIN code, eIDAS,...)' and 'Only if you have a Belgian national registration number or BIS number.' Below this box is a light blue button with the text 'I cannot authenticate...'. A red arrow points to this button.

Click: **I cannot read my card**

The screenshot shows a light blue box with the text 'Insert your identity card into the card reader of your computer to fill in your personal details automatically.' Below this text is a dark green button with the text 'Read your Belgian identity card' and a small 'beID' logo. To the right of this button is a light blue button with the text 'I cannot read my card...'. A red arrow points to this button.

Then fill in the obligatory fields with a *

Please make sure your surname (=last name) and first name are the same as in Mobility Online.

Uploading a photo or ID card is not necessary.

Step 3 Personal info

You only have to fill in obligatory fields with a *

Step 4 Extra

Pass on your contact details? You can choose 'No'

Click Next

You will now see the summary of your registration. Thanks!

When your registration gets processed (this will happen manually between June and September), you 'll receive a confirmation e-mail with your PXL account log-in and password.

Should you receive other e-mails in Dutch, please forward them to incoming@pxl.be. **It's possible these automatic e-mails are not intended for you as an exchange student.**
